Strengths

Team leadership & training
Customer experience
Problem-solving under pressure
Empathetic communication

Profile

Motivated and adaptable professional with a BA in Sociology and a Master's in Tourism Planning & Management. I progressed rapidly in hospitality, moving from entry-level roles to restaurant manager within three years, gaining solid experience in team leadership, training and customer service. After 7+ years in people-focused roles, I am now building strong technical expertise in front-end and full-stack development to create clean, usable and accessible interfaces.

Experience

Assistant General Manager — Evuna — Liverpool | Feb 2022 – Mar 2024

- Managed daily restaurant operations including staffing and scheduling.
- Supervised and developed a team of 15+ employees.
- Ensured compliance with health & safety standards and service quality.

Breakfast Manager — Wreck Bistro — Liverpool | Jan 2023 – Feb 2024

- Led the breakfast service team and coordinated shift planning.
- Trained new staff and improved performance consistency.
- Maintained strong customer relations and resolved issues effectively.

Bartender — Bacaro — Liverpool | Apr 2024 – Present

- Delivered high-quality customer service in a fast-paced environment.
- Developed knowledge of cocktails, wines, and bar operations.
- Supported the team by maintaining efficiency during peak hours.
